To our readers: There were more than twelve caption submissions for this article and we decided not to use any. The editors felt that the photos alone of Aryana were enough to tell her story and get you excited. If you feel there should have been captions, please feel free to write them and submit to us. When we run the next pictorial of her, we'll consider them. Until then, we hope the silence on these pages helped you enjoy this divine creature.

A woman with dark skin is lying on her side on a red towel in a bathroom. She is wearing a red lace thong with white lace trim and red ribbons. Her right hand is resting on her hip, and her left arm is raised. In the background, there is a black metal bed frame and a red curtain.

She may look sweet and shy, but Babee loves showing off her body and trying new things. We found her outgoing, personable and approachable. Even though she says she's a daddy's girl, she can hold her own anywhere. Especially in the bedroom – so she says.

Babee

"Yes, I'm a daddy's girl. Daddy's been good to me and I've been good to him."

"With the right guy, I'll try anything. Since I'm petite, almost every cock is large to me, but I really do love large ones. They fill me up so much that I can make myself cum just by squeezing my vaginal muscles. I can make the guy cum that way too! It's quite a surprise for them when I do it."

"I know what you're thinking as you look at this picture. And yes, I do have a really tight ass. It's never been violated, but that doesn't mean I'm not willing to try it. I just haven't found the right guy to give it up to. Could you be that guy? There's only one way to find out, and that's by calling me and telling me – nicely – why I should give up my booty to you! But please be over eighteen when you call."

The Good, the Bad and the Booty

JAMAICAN US CRAZY

I was walking by a newsstand in lower Manhattan when I noticed the cover of your magazine with this cute girl on it. I did a double take because she looks just like this girl I knew from Jamaica a few years ago. My parents moved there when I was sixteen and I finished high school in Kingston. Her name was Keandra and she was a year older than me. I met her a couple times

address for her so I can get in touch and see if it is her. If not, how about the photographer's number? I'm sure she would like to hear from me.

— Daniel, Manhattan

Daniel, That's great story, but true or not, we cannot give out that info. But we do appreciate your appreciation of great beauty when you see it. We do. — Ed.

because our dads played soccer together and we hung out at the field with them. She once told me that she wanted to "get off de iland" and be a model in New York City. I heard that after she graduated she did move to New York and was trying to be a model.

I too left after graduation and moved to Manhattan and am living with my auntie. I hadn't thought about Keandra much, but if this is her in your magazine, I'll be thinking a whole lot more about her. Can I get a phone number or email

Solana heats up the beach and the pages of Booty Call with a sizzling hot backside!

SMOOTH MOVES

I'm a college basketball player and I have to write to tell you about my latest booty call. I was sitting on the bench at an away game and as usual our backs were to the fans. Towards the end of the third quarter I felt someone brush by me as they must have been going to their seats. I did not think anything of it until the game ended and we were in the locker room. I dis-

robed and noticed a piece of paper fell out from my pants. I picked it up and found a girl's name and phone number with her picture folded into it. I tucked it away before anyone else saw, because I didn't want to get razed. When I got back to my hotel room, I decided to call and see if it was real.

Sure enough, a girl's voice answers and I ask if she was the one that slipped me the note. She said she was and wanted to meet me. I told her that I had to eat with the team but we could hook up later that night because I had to leave in the morning. She said she'd come by after one am if I wanted a "booty call." Well, I've never been propositioned like this before and it sounded kind of exciting, so I told her my room number at the hotel and hoped I hadn't made a big mistake.

A little after one, there was a soft knock on the door and I looked through the peep hole. Standing on the other side was a cute girl in a hot little dress. I opened the door and she was hot. She said hello and I said hi and we exchanged names as I invited her in. She came in and right away sat on the bed. She told me she thought I had great moves on the court and wondered if I was the same in bed. I got flustered at her directness and blurted out that she'd have to try me to find out. She stood up and pulled me over to her. She immediately dropped my

drawers and found my cock. She looked up at me as she stroked it and within a second I was rock hard. I pulled off my t-shirt as she reached under and grabbed my balls. Then she turned around and told me to unzip her dress. I did and she was completely nude underneath. She backed into me, took my cock and slipped it into her already wet pussy. She leaned over onto the bed and stuck her ass higher to make it easier for me. I pumped in and out as she made moaning noises. I gyrated my hips to show her my moves and she took every inch of me.

She then took me out of her pussy as she turned and sat on the bed. Her mouth was at the same height as my cock as she took it and started licking. First she licked her pussy juices off and then started to devour it. Taking it in deep I could see tongue doing its part and I shoved it deeper between her lips. She grabbed my butt from behind and pulled me deeper into her mouth with every thrust. We got into this mouth-fucking rhythm and I finally came as she swallowed all of it. I wobbled to the bed beside her and was about to throw her down for some more action when she stood up and grabbed her dress. Taking a couple steps away from the bed, she quickly put the dress on. Nothing more was said as she walked out the door.

Allanda

Long and lean, Allanda gets anything she wants and that means she gets a lot. A lot of gifts, a lot of guys, a lot of girls, and that means a lot of sex. Stretching her six-foot frame for us in the studio, we see this lady is all action. She knows how to pose and what makes her look good. Sweet boobs, tender pussy and beautiful ass. The perfect sex object.

But how does a fine woman who's been a sex object her whole adult life want to be treated anyway? Turn the pages and find out.

CHECK US OUT AT
30-40group.com

"I don't mind being treated like a sex object at times. When it's my job, or on shoots like this one, that is the point. Men want to see beautiful women get sexual and nasty. The fantasy is what we all think about. That's what the make-up and leather corset do. They make the fantasy. They make me into the sexpot."

"In my real life, however, I'm a normal person who doesn't look or act this way; unless it's for my lover, of course. I don't mind these poses or touching myself in front of the camera."

"As a person, I want to be treated with the love and respect anyone is due. I do the same for all those people I am around. When things get private, the respect should still be there, and to get funky or nasty doesn't mean there's any loss of respect. As a matter of fact, there couldn't be any nastiness without the respect. If my lover wants me to do something a bit unusual, they know I will and not hurt them. It is the same with me. If I want to be fucked hard, it'll be with someone I trust. If I want to be nasty sexually to someone, it will be with someone I trust. That is the only way can be for me."

Want to get to know me a little better?
I love talking to men that show an interest
in me because I'm interested in them. We
are all here to be happy and I like to make
people happy. If you know what I mean.

utes getting to know each other and I'll tell

You have something to say to us?

We have some satisfied readers, and some not so much, but all are welcome to let us know what they think!

THANK YOU, THANK YOU, THANK YOU!

I just moved into a two-flat near the college where I go to school. Upstairs from me are two girls who go to the same college. One is named Deandra. She's 21. Her roommate is probably a year older. I'm a senior and finally got off campus. I hear them fighting all the time. They fight about the big stuff, like college majors, and they fight about the bullshit stuff, like what color Deandra dye her hair this month. I don't think it's ever serious, just friendly competition. I just try to stay out of their way.

I'm writing because something happened that I want to thank you for. It was a nice afternoon, and I decided to work on my reading assignment in the backyard. But what I really has was your magazine with Keeshah on the cover opened inside the textbook. The combination of beer, sun, and "heavy reading" put me straight to sleep, so I was sipping an iced coffee instead. I was looking at the great girls in the magazine, so I was startled when I realized that Deandra had come outside to join me. I was more startled when I looked up and saw that she was stark naked. "Deandra!" I sputtered. "We are outside."

"There's a fence," she shrugged. Well, they're sort of offense. But it's old and it has some gaps in the wood. If the neighbors were ever home, they probably see her. I saw her do this before but I was always inside the house. She would usually just sunbathe for a few minutes. Once in a while her roommate would come out also but she always wore a swimsuit.

I decided to just shut up and enjoy the scenery as Deandra spread out a beach blanket on the grass. She turned on her stomach for a few minutes giving me a good look at her firm ass. Then she rolled onto her back, her legs and her breasts exposed. I didn't mean to stare, but I couldn't help it.

"What are you looking at?" she asked. "I'm trying to catch up on some reading material for school," I mumbled. "Let me see," she

said, and before I could hide anything, she was up and looking over my shoulder at the pictures of Hypnotiq and Eve getting it on.

She suddenly grabs the front of my pants. Fuck! That fast she was squeezing at the bulge I'd sprung in my jeans. "What are you doing?" I sputtered. "What do you think I'm doing?" She unzipped my fly and boldly reached in for my throbbing erection.

Whether seen on campus, the bedroom, or on the subway, the hottest black butts on the planet are there for you. The other parts are pretty hot, too! – Ed.

I couldn't make myself go soft, not for all the boring college textbooks in the world.

"So this is what you call studying," she says as she grabs my mag, too. "These girls are hot. Hey she's shoving a dildo into the other girl's ass," she almost screams. Deandra looks aback at me and asks if I had ever fucked a girl in the ass. I said no, but had always wanted to. Just couldn't find the right girl. She laughs and drops the mag.

"Then you might just be in luck," she says. Her lips formed into an "O" as she came around in front of me and pushed my knees

apart. She pulled at my hard cock and immediately shoved it into her mouth and began sucking me.

"Please," I moaned. "Please stop?" She laughed as she hesitated, her mouth less than half an inch away from my tip.

"No, don't stop. It's too late to stop. Oh my God," I moaned. She crammed my cock back into her hot mouth. I don't have the willpower to tell a woman to go to stop when she's giving me head that magical. I decided to just lay back on a lounge chair. The harder she sucked, more of my shaft disappeared down her throat. Before long I was tonsils deep inside her gifted mouth.

"I don't want to come in your mouth," I said. She stopped sucking and looked up at me. Deandra laughed a scornful laugh and got down on all fours on the beach blanket. Her smooth butt cheeks open, and I could see her tiny anus.

"Come on then, is this what you want? We don't have all day unless you want my roommate to catch us," she says as she fingers her asshole. I groaned and slumped down on the ground on top of her. My cock was thoroughly lubricated with her hot sticky saliva, so it slid easily between those smooth cheeks. She began to pump with her ass, at the same time deliberately dilating her butt hole so that it was wide enough to grasp hold of my dick. Was I fucking her ass or was she using her asshole to suck my dick directly into her tightness? It really did seem for a moment as if she was doing all the work, but I didn't mind.

Hot damn, Deandra was tight. I had no idea if it was her first time getting some backdoor action. Considering how rebellious she was, then it probably wasn't. But she sure as hell felt like a cherry. I had to poke slowly, an inch at a time, until I was finally in her to the hilt. Our bodies lurched, and we began to move faster and faster. Suddenly, almost without warning, she began to come with such convulsive violence that she popped me off immediately. Her happy

asshole was squeezing cum out of my dick like it was a cheap tube of toothpaste. She came as she fingered her clit furiously. I pulled out and used the end of her towel to clean off. She looked back at me and said, "See, I can take it just like those girls in your magazine."

All I can say after that is "Thank you. Thank you. Thank you!"

MALL BRATS

Last month I found your magazine in my brother's room. I only had a chance to look at a few pages when I heard him coming up the stairs. The next day when he went to work, I found it again and looked at it more thoroughly. I decided to make him crazy and tell you about it, so I wrote down your address and put it back in his hiding place. When he got home from work, I asked if he would go to the mall with me to help pick out a gift for mom's birthday. When the weekend came I called my BFF and told her about my plan, so she joined us.

On Saturday we all go to the mall. It's the three of us, me, my BFF Letitia, and my brother Jerome. Oh, I'm 22 BTW, Letitia is 24 and my bro is 30. I've got a piercing in my eyebrow and another one in my right nipple, which is two piercings to many as far as my brother is concerned.

My mom and Letitia are the same size so I told him she had to try on the clothes. I found some cute jeans and wanted to try them on but Jerome said "No." They were \$200 but they were the style. He was mad and waited outside the dressing room with his arms folded while Letitia and I were in the dressing room. Just to blow off steam when she shimmied out of the jeans, I put my right hand on the front of her thong panty. She giggled and then I squatted in front of her to nibble at her sweet pussy.

"He's right out there, you know," she

whispered. "Yeah, that's what makes it hot. I want to drive him crazy so you'll have to moan and make sexy noises."

I pulled down her thong; then squeezed my tongue all around inside her slit. It wasn't exactly the first time that the two of us got it on together. She really has a gift for giving head, and I'm happy to give it to her too and show off my skills. Within minutes, she was cumming all over my mouth. She made those sexy little noises and I know Jerome heard her. "Hurry up, you two!" he yells.

Lovely lesbian action gets the guys hot, but it seems to do the same for many of the gals. Honeyz Hypnotiq and Eve have a sexy roll in the hay that's a real crowd pleaser in our last issue.

I didn't have the cash to get the jeans if Jerome didn't pay, and he didn't, so we went to another store and looked at some dresses. He wasn't much more thrilled with them, saying that they were too short for our mother. But at least they were only \$50. Again, Letitia and I disappeared into the dressing room, and this time she's the one who dropped to her knees.

She walked her tongue all over my slippery mound of Venus. I had taken a shower right before we left the mall and shaved my box, because it was as smooth and slippery as greased plastic. Her tongue slid all over my brown velveteen flesh. Finally she collided with the deepest, twitchiest part of my slit and began to flutter her tongue in and out

of my pussy. I began groaning softly and then I hear Jerome: "Let me see how those dresses look. What are you doing in there? It shouldn't take this long to try on a dress."

I quickly put on one of the club dresses to model for Jerome. He shook his head, but ultimately we bought one for mom. Now we moved onto the lingerie shop. We both said that we needed new quote "miracle" bras, although he was convinced that we were too young and firm to need any, much less a \$40 one. Nonetheless, Letitia and I disap-

peared into a dressing room. I shook my titties into a black lace number and Letitia shook hers into a matching pink lace. We giggled at each others jiggle. It doesn't take a long time to try on bras and my bro knows it. It doesn't take long to finger each other either. I got my ring finger in Letitia's pussy and she got hers in mine, and we worked our digits as fast as we could.

"Hurry, hurry." "Oh, my God. That's it. That's it." Bam! We came on each other's hands. "What's going on in there, you two?" We hear him from outside the curtain. He then flings it open and we're both grinning from ear to ear. "You girls drive me crazy!"

I was rummaging through a chest in the attic when I came across a lingerie outfit I wore on a photoshoot twenty years ago. I couldn't believe it and tried it on. It still fit perfectly.

So at dinner that night I told my husband about it and he suggested I do a new shoot with the same outfit. I blushed. I was only twenty then but said okay. We called a photographer we knew and he said he would shoot me just like the old pictures. He would get a makeup artist to do me up just the way it was back then, hair and all. I told him I needed six months to grow my pubic hair back and lose a couple pounds.

Six months later...

*This is me
in 1990!!!*

So I show up at the photo shoot and I saw the set. They had copied the old set from the original photos all the way down to the wooden screen in the background. Only the color of the sheets was different. I got made up and it was *deja vu* all over again. I was amazed, and so was everyone else, that I looked just the way I did twenty years ago. My boobs were a little bigger and a couple more wrinkles, but I was the same! It was a bit freaky.

The only difference from the original shoot was my trusty vibrator. I hadn't posed in a long time and was quite nervous. After about half an hour, I asked if I could use it to loosen me up. They didn't have to take any shots, just give me a few minutes with it. (some people like to have a drink, I like my vibe). The photographer insisted he shoot me using it and that was a lot of fun. I forgot completely that the cameras were there and after another half hour, I came! Well, a few days later I got to see the pictures and they were fantastic. And my husband loved them. He insisted I wear the outfit to bed that night. Needless to say, we fucked all night.

But there were some other things that I did during the photo shoot that my husband doesn't know about. I'll tell you, but only if you can keep a secret. Call me and I'll share them with you. But you have to promise not to tell. They're pretty steamy.

From Darleen in Atlanta...

I really like to have my pussy licked. I don't really care if a guy or girl does it, just as long as someone does it! I want that tongue sucking my clit and probing the insides of my pussy as far as it will go. Don't get me wrong, a cock is okay but it can't do what a tongue does!

I've been with this girl Michelle for a few months now who just does me right. She's a great pussy lick, but won't tell me where she learned it. I always tease her about that. She'll lick and suck me until I cum in her mouth.

The other night we were at the movies. You know, one of those romantic movies that women like. I promised her a great night of sex if she would come with me to the movie with me and try not to cry. She did and afterwards said she actually liked the film. But she also brought up the promise that I made and as soon as we got back to my apartment, I slammed and locked the door, grabbed her and started rubbing my crotch on hers.

Michelle was already wet and I was unzipping her pants before our coats came off. She dropped her coat then took mine off and immediately slipped her hand up my skirt. A surprised look hit her face as she felt no underwear. I smiled at her and pulled up my top and she saw no bra either. I pressed my bare boobs on her chest and my nipples got even harder. I felt her fingers enter my pussy and I moaned and squeezed my legs tighter to keep them there so I could get extra wet for what was about to happen.

She led me over to this big double-sized chair in the living room, stripped me naked and left me there. She went into her bedroom and came back after a moment with a huge vibrator I had not seen before. It was a flesh colored and had a bunny-looking appendage coming out from the shaft that was a clit-tickler. She turned it on and could see right away that it was turning me on. She put it near my pussy to tease me, but then knelt down and began licking me holding the vibe at the opening to my slit.

She then turned the bunny to the back so it could tickle my booty hole. It felt great as she lowered her tongue onto my clit and I felt all the sensations: her warm wet tongue on my love button, the buzzing vibe inside my pussy, and the tickler going at it between my butt cheeks. I closed my eyes and just took it all in, literally. After a few hip grinds, well-timed licks, and butt pinches (she knows all the tricks), I came so hard I fell off the chair.

Michelle helped me up and led my limp body to the bedroom where we continued fucking for the next six hours. She took me

home the next morning. We went straight into my bedroom and I made her lick me again. Sometimes a girl just can't get enough of a good thing.

From Leon in St. Louis..

It was a warm sunny summer afternoon and I headed over to my friend's house to see if he wanted to play golf. It was a Saturday and even though the links would be crowded, I was in a great mood and I felt that I could beat him good.

When I got to his house and rang the bell, his sister. She was in her mid-twenties and I remember her when she was just entering high school. She had blossomed into quite a woman over the years with a great ass and double Ds. Her name was Shelly and she was wearing a blue tube top that showed plenty of cleavage and her skirt was very short and tight as well. She greeted me with a smile and told me to come upstairs. I gladly followed her up the stairs as I stared at her lovely ass as it wiggled in front of my face as I walked up behind her. We got to their apartment and she told me to have a seat in the living room. I walked over and sat on the couch as she walked to the back of the apartment. I figured she was going to call Herb and tell him I was here.

After a few minutes, she walked back into the living room and told me to wait a few minutes. I didn't mind at all since she was straightening up a few things in the room and I was enjoying the view. She would bend over the coffee table to wipe it off and I would just stare at that phat ass as it

had trouble staying inside her skirt. She almost caught me as she looked up quickly in my direction but I tried to look away as fast as I could. The only problem was that I had a huge hard on that was difficult to hide.

For a moment, there was an awkward pause. We looked at each other waiting for the other to say something first. I break the silence by saying that I thought she was really pretty. She looked at me and asked if I really thought that. "I do." I said. "I think you're really hot and I often daydream about you." I see a small smile come across her face and it broadens into a bigger one. I wondered how that made her feel but by the expression on her face I think I knew. A moment later she got up and walked over to me, and placed both her hands on my thighs and gave me a little kiss on the lips.

She pushed my knees apart and dropped down between them. She told me to just lay back and enjoy what was about to happen. As I leaned back against the couch, I felt her rub my crotch and find that I had become quite hard. She reached for my belt, undid it, pulled my zipper down, and reached in and grabbed my cock. She played with it for a moment and then undid my pants and as I lifted my ass she pulled them down. In the same motion my boxers came off and my erection sprang to attention in front of her face.

Just to be sure I asked her if Herb was indeed out for the day. She said he was and began sucking my cock. I thought to myself that she had known this all along and had made plans to do this to me the next time I came over. Those thoughts quickly disappeared as her mouth went down on my cock. She began to lick the tip of it and moved slowly down the shaft. Her hands played with my balls and I felt as though I was in heaven.

As I lay back with my eyes closed I heard her slurping her way up and down the length of my cock. It turns out she is a great cock sucker. I gathered myself together and asked her where she learned this. She looked up to me and smiled and then plunged her open mouth all the way down to the base of my cock. I felt her

I leaned forward and buried my face between them taking in the aroma of her body and the sweat between her boobs.

tongue come out and try to reach my balls. She pulled her mouth back, grabbed my shaft with her hand and pushed my cock to my stomach. She lowered her face into my balls and took them in her mouth. I felt her tongue explore each one as she closed her lips tightly around them making both extremely sensitive. Her hand stroked my cock feverishly as her rhythm increased.

I finally opened my eyes and it occurred to me that she still had her top on. I reached down her sides and pulled her top up over her head. I told her that I had been dying to see her boobs. She stood up in front of me and began to play with them. She pushed her left breast up to her mouth

and began to suck on the nipple. After a few sexy licks she switched to the other breast. My eyes were fixated on what she was doing. She sat down next to me took my hands and placed them flush on her big boobs. Immediately I began squeezing them and she let out quiet moans of pleasure. I leaned forward and buried my face between them taking in the aroma of her body and the sweat between her boobs. The smell of it made me even harder.

I stood up in front of her, my cock pointing at her chest and as I took a step closer to her she grabbed it and put it between her breasts. She rubbed them up and down on my cock, lowering her head from time to time to flick her tongue on the tip of my cock. I looked down at this wonderful sight, closed my eyes and opened them again to be sure I wasn't dreaming. I was now tit-fucking the most amazing boobs I have ever seen. I could've died right on the spot a happy man. But she had more in store for me as she grabbed my cock and began to suck on it again. As she sucked on it, I played with her breasts and within minutes I could feel myself ready to burst. Apparently, so could she.

But she told me I couldn't do it right then. She stood up and took my hand and pulled me across the living room and into her bedroom. She playfully pushed me down on the bed. I fell face first and stayed there. She quickly dropped her skirt and I felt her hands on my butt cheeks. She scratched them and it made my butt rise in the air. When it did she reached under and grabbed my cock. Just by her actions I could tell that she wanted me on my knees. I obliged and felt her hand stroking my cock as if she was milking a cow. Soon her face was burrowed into my butt and I felt her tongue on my balls.

She paused for a moment and I felt her

get on the bed on her back underneath me. She maneuvered herself into a position where my cock could go straight down her throat. As she did I immediately turned myself around and into a 69 position on top of her. I heard her moan and felt her arch her

Fearing for my balls I rolled us over so she was on top. This gave her better access to my rigid cock, and I think she also liked it as she buried her pussy on my face. I found her clit and begin to suck on it as I felt it grow between my lips. I focused my

soft scream in pain along with me. We disengaged a moment later as she fell back on the bed. After the heavy breathing stopped she looked at me and said "I never imagined you to be such a great lover." I looked at her and smiled and told her that I had been saving it up for her, and I was actually a bit out of practice. She laughed and got up to go to the bathroom to clean up.

I gave her a moment and followed her in and as she was leaning over the sink I pushed my cock into her pussy. She didn't flinch as I rammed it in and out of her tight hole. She leaned over further onto the sink and raised up on her tip-toes so I could go in deeper. I fucked her from behind for a good 10 minutes. She raised herself and caught my eye in the medicine cabinet mirror in front of us. That told me she wanted to turn around and I pulled out and let her do it. Now, this angel was stark naked in front of me with her heavenly breasts right at my fingertips. I entered her pussy once again and grabbed both of her sizable melons as she leaned back on the sink. We fucked like this for another 10 minutes and I was ready to come again. Always the gentleman I pulled out at the last moment and she lowered herself so I could come on her breasts. I watched as she squeezed out the last drop.

We both finally cleaned up, redressed and went back out to the living room. She offered me something to drink and I said I would just like some water please. She poured me some spring water and a glass for herself. We went back to sit on the sofa and as we got there her brother came through the door. He threw his keys on the coffee table, said hello to his sister and to me. Herb asked if we were going golfing today. I told him the day had gotten kind of late and I was tired. Perhaps next week. I told him I had to go and would catch up with him at work. I thanked his sister for the water, grabbed my jacket and headed out the door. On the drive home my cell phone rang. I answered and heard her sweet voice telling me what a good time she had — and that I was welcome to come over and play anytime.

hips rise up to meet my tongue. I opened her thighs to gain access to her love button. I pulled open her pussy lips and began to lick her clit as I pumped my cock in and out of her throat. She grabbed my butt and pulled my hips down so my cock would go deeper into her mouth. I buried my tongue inside her slit as deep as I could and moved it around until I felt her thigh muscles begin to contract. That made me even more excited to think that she could come as I was licking her. Somehow in the middle of all this she released my cock and pushed both my nuts into her mouth. She sucked so hard that I felt one start to go down her throat.

attention on her boobs pressing against my belly. I reached for them and felt her raise her chest so I could cup them. I found each nipple and gave them a pinch in turn. As I did I felt her teeth on my cock as she returned the pleasure. We went at it like college kids on their first fuck date.

After about an hour in each other's mouths I felt that I needed to cum. I told her to use her hand along with her mouth and jerk me off which she did with great abandon. As she did I fingered her ass hole and slowly stuck a finger in it as I was eating her out. As I came, I pushed the finger in all the way and she arched up with the

BONNIE AND CLAUDE

Admit it.

At some point in your life, while you've been working out at the club, you fantasize about the women at the club. There's always one that captures your imagination. From the treadmill to the stair-stepper, you've managed to keep your eye on her. Then one day in the club's Jacuzzi, you feel her presence.

"I know you've been watching me," she says. You look very surprised. "I don't mind. I've been looking at you too." Then she reaches into the water and feels your rock hard erection. "So this is what you think of me?" she says.

There's nothing like a good, hot fuck caught on camera. It is the stuff fantasies are made of. It warms your libido and makes you wonder how did this dude get so lucky. Well wonder no more. Pick up the phone and call her. She's all alone now and has the time to talk with you. Don't make this another situation that you'll regret later. Pick up the damn phone and call her! You gotta be over 18.

Some words for Mistress Oralee

My name is Sharee, and I am 42-year-old woman who began reading your column when my husband brought home your magazine. Some of the letters that I've read in it have been making me extremely curious.

I'm the kind of woman who needs a good fucking on a regular basis. Recently when my husband was out of town, I started feeling myself down between the thighs. Fortunately, I own two vibrators -- a five inch one and a seven incher. I started off by getting naked and bringing the two fun tools into my bedroom. I placed the seven incher on my clitoris and turned it on, allowing the vibrations to stimulate me.

My body is in great shape. I have a hot, curvy ass and well-proportioned 38D breasts. I put the five inch vibe on my nipple and it grew hard. I took the other vibrator and teased the long crease all along my throbbing pussy. Then I lay on my back and drew my legs up, opening my hot snatch. I took my fuck probe and plunged it into my tight hole, allowing my muscles to grip it.

It felt good, but I wanted more. I turned the dial up, and my fuck toy buzzed and shook like mad. The sound of that turned me on, and the vibrations massaged my twitching pussy quite well. Getting even more horny, I grabbed the five incher and rubbed it on my clit as the seven incher buzzed deep inside me. Soon

To all my fans, I hope you'll keep writing so I can read your sexy letters. I love you guys – Mistress Oralee.

I was squirming and rolling all over my mattress tensing my long legs and buttocks.

I stopped short of coming, and decided to go a little further. Prolonging my orgasms makes them better and stronger. I went to the closet and took out a porn tape and put it into the machine. My husband and I would watch porn sometimes when we fucked. I have a favorite scene in one movie where two studs service one girl. They both offer up their cocks to her on her knees and she sucks one while jerking the other and then switches over. It's not that I want to do a three way, but to see two huge cocks like that, I often imagine myself in her spot.

And it makes me gush. Love juices oozed down around my vibrator and ran down my thighs. All that stimulation plus the nasty thoughts racing through my mind brought me to my long pre-orgasm phase. That's when I pushed the vibrator all the way in my pussy and kept it there. My pussy swallowed it whole, and it felt as though my body was vibrating from the inside out. A body rocking orgasm followed. I took my tool out and lay back on the bed to relax and watch some more of the porn. I got all hot again and a while later I had one vibe back in my pussy as the two guys on the screen began to fuck the lucky lass.

I love the freedom and control I have fucking myself with vibrators. While they

are not as good as a hard cock, they are a convenient fuck whenever you really want one. I think all women should own several of them and carry one in their purses all the time.

Dear Sharee – Not all women have the sex drive you seem to have. Not all women want to have something hard and impersonal shoved into their pussies. But for those who do, I hear they love it, as apparently you do. Using a vibrator can be fun and stimulating. Have you ever used it with your husband, or on your husband? There is a whole world of sex out there other than the missionary. I always encourage everyone to explore their own desires in a safe manner. Have fun! – O

the PENIS-STRETCH
FOR MEN WHO REALLY WANT
A LONGER PENIS!

Any man who has ever envied the sexual
dimensions of other men in the showers or
locker room... any man who has ever
wanted to thrust deep, deep into his
woman and touch her where few men ever
have... any man who feels inferior in sex
performance because of "small" organ
size will eagerly welcome the devel-
opment of an amazing new product called
PENIS-STRETCH.

PENIS-STRETCH IS SPECIFICALLY DESIGNED TO
LENGTHEN THE PENIS TO ITS MAXIMUM!

How does it work? Simple! you simply

WILL DEFINITELY INCREASE THE
LENGTH OF YOUR PENIS when used as
directed. HERE'S WHAT PENIS-
STRETCH USERS WRITE...

"... incredible... my formerly shrunken organ now
hangs out long and proud over my testicles."

"Couldn't believe it, but it works. Your PENIS-

without an erection."

"Easy and effective... feel like a real man for the
first time in years."

"I was told there was no way to ever make my penis
longer, but nobody ever told me about PENIS-
STRETCH. It works..."

These are only sample comments. But
you can understand how overjoyed these
men really are to discover that they need
never again worry about a "small" sex
organ. PENIS-STRETCH will work for

Lily says she hasn't always been this beautiful. An African-American and Native American mix, she has grown into a stunning woman ready to explore the world.

"I was uncomfortable in my skin as I was growing up. I was tall, thin and kinda geeky. It was when I went to college and was around other girls from different places that I became more confident and aware of myself. Look at me now!"

A photograph of a woman with long dark hair lying on her side, partially covered by a striped blanket. She has her eyes closed and a slightly open mouth, appearing to be in a state of relaxation or sleep. Her hands are resting on her chest and abdomen. The image is framed by a rough, torn-edge border. A white rectangular box in the upper right corner contains a quote.

“I had my first sexual experience in college. There was a not-so-cute boy in my Economics class, but he was really funny. I love a guy with a great sense of humor. He was over helping me with my homework one night and after we finished we just kinda hung around and then one thing led to another. We didn’t talk to each other in class the next day.”

"AnnaBelle and I have been friends for a long time. We met at a photo shoot about five years ago. I was a last minute replacement for a girl who flaked out. When I met AnnaBelle, I could tell right away she was a sweetheart. It was only her second shoot but she handled it like a pro."

*"I just love working with Moné."
I remember one of my first
shoots was with her and I had
never been with a girl before.
She was so willing to take her
time and make me feel comfort-
able. Over the years we've been to-
gether many times and she always
makes me laugh – and cum!"*

"This photo shoot was really hot. We had both worked on other sets all day and when we got here and saw each other, we were relieved. We had a great time. It was not like work at all. Just a mellow fuck."

"I told Moné that I wanted to feel her finger in my ass. She said she'd love to do it. I think we surprised the photographer. Let us tell you more about our photo session. It was really hot!"
